

Ms. Chhay Thida has been working at Banteay Srei since October 2016 as a Community Facilitator. In this role, her main focus is working at and overseeing the Disability Center where she does advocacy work, coordinates with relevant stakeholders, develops mechanisms for financial support, works on M&E, gives vocational training to women with disabilities, and provides leadership to the team members at the Disability Center.

Her past work experiences have included working at the Cambodian Disabled Peoples Organization (CDP) and World Vision Cambodia (WVC). Ms. Thida attained a B.A. in Accounting from the International Institute of Cambodia University of Technology (IIC).
